

Some of us tackled at-home projects, such as...

- Painting walls
- Finishing the basement
- Installing new light fixtures
- Remodeling attic
- Moving into a new home
- Cleaning out closets
- Updating bathroom fixtures
- Repairing door hinges
- Refinishing floors
- Replacing baseboards
- Purchasing new furniture
- Renovating backyard

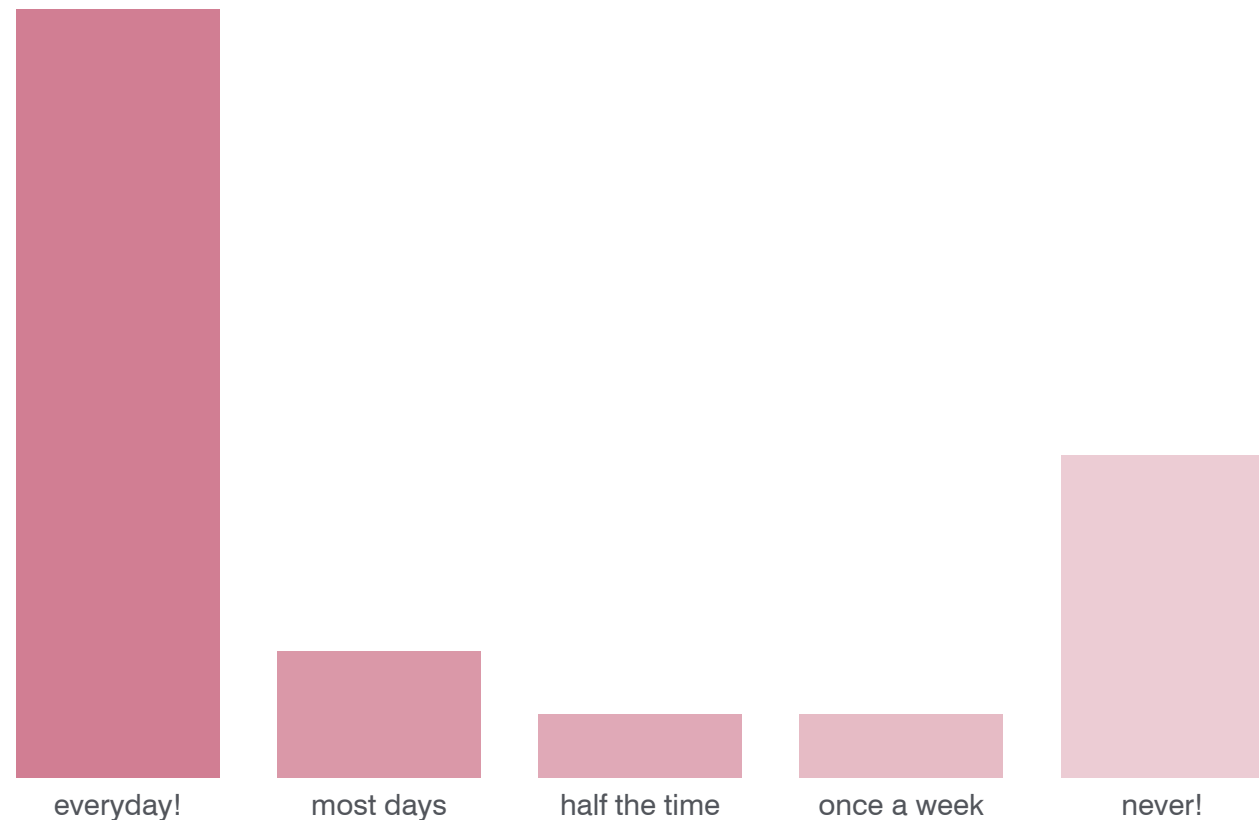

What surprised us while working remotely...

- "I work more than usual."
- "How important sunlight really is."
- "How quickly I'd get used to it."
- "How much I missed going to the office."
- "How loud my husband talks on the phone."
- "My dogs love eggs."
- "The fickleness of wifi."
- "That I'm just as efficient."
- "How much it's helped with my lifestyle/work balance."
- "How much more time I have with no commute."
- "That I can't."
- "Saving money on gas."
