

Some of us tackled at-home projects, such as...

Painting walls

Finishing the basement

Installing new light fixtures

Remodeling attic

Moving into a new home

Cleaning out closets

Updating bathroom fixtures

Repairing door hinges

Refinishing floors

Replacing baseboards

Purchasing new furniture

Renovating backyard

What surprised us while working remotely...

"I work more than usual."

"How important sunlight really is."

"How quickly I'd get used to it."

"How much I missed going to the office."

"How loud my husband talks on the phone."

"My dogs love eggs."

"The fickleness of wifi."

"That I'm just as efficient."

"How much it's helped with my lifestyle/work balance."

"How much more time I have with no commute."

"That I can't."

"Saving money on gas."
